Re: FCC ID: YKD-25STW4100-019

To Whom It May Concern:

The following application is submitted on behalf of our client, L-3 Communications CyTerra Corporation, for evaluation of their model Range-R 2D (FCC ID: YKD-25STW4100-019) for certification under FCC Part 90 in accordance with waiver DA 09-2482.

The Ranger-R 2D is a handheld wireless radar transceiver operating from 3.101 GHz to 3.499 GHz. The unit is used for the detection of human targets through wall. The model was tested in full in accordance to the aforementioned waiver and was found to be in compliance.

Sincerely,

A handwritten signature in black ink that reads 'R. Sam Wismer'. The signature is written in a cursive, flowing style.
